#### **(I'm Looking Over A) Four Leaf Clover**

I'm looking over a four-leaf clover  
That I overlooked before.  
One leaf is sunshine, the second is rain,  
Third is the roses that grow in the lane.  
No need explaining, the one remaining  
Is someone that I adore.  
I'm looking over a four-leaf clover  
That I overlooked before  
(sung twice)

#### **Stickin' to The Union**

Oh you can't scare me I'm stickin' to  
the Union  
I'm stickin' to the Union  
I'm stickin' to the Union  
Oh you can't scare me I'm stickin' to  
the Union  
I'm stickin' to the Union  
'Til the day I die

#### **Part of the Union**

Now I'm a union man  
Amazed at what I am  
I say what I think, that the company stinks  
Yes I'm a union man

When we meet in the local hall  
I'll be voting with them all  
With a hell of a shout, it's "Out brothers, out!"  
And the rise of the factory's fall

#### **[ CHORUS : ]**

*Oh, you don't get me, I'm part of the union*  
*You don't get me, I'm part of the union*  
*You don't get me, I'm part of the union*  
*'Til the day I die*  
*'Til the day I die*

As a Union man I'm wise  
To the lies of the company spies  
And I don't get fooled by the factory rules  
'cause I always read between the lines

And I always get my way  
If I strike for higher pay  
When I show my card to the Scotland Yard  
And this is what I say

#### **( CHORUS : )**

Before the union did appear  
My life was half as clear  
Now I've got the power to the working hour  
And every other day of the year

So though I'm a working man  
I can ruin the government's plan  
I'm not too hard, but the sight of my card  
Makes me some kind of superman

#### **( CHORUS x2 )**
